**Entrusting Futures**

# INTRODUCTION

Global Contriver (Pvt) Ltd is committed to delivering client-centric, results-driven solutions through innovation, integrity, and professional excellence. By integrating multidisciplinary expertise across management consulting, finance, real estate and property management, hospitality, and tourism, we position ourselves as a one-stop professional services partner for sustainable business growth.

## Our Beginnings

Global Contriver (Pvt) Ltd is a Sri Lanka-based business consulting and professional services firm delivering integrated, end-to-end solutions across multiple industry clusters. Established in 2012, the company supports startups, SMEs, and large enterprises by providing strategic advisory, operational support, and sector-specific expertise that enable sustainable growth and long-term success.

# WHO WE ARE

Global Contriver (Pvt) Ltd is a multidisciplinary business consulting and professional services firm based in Sri Lanka, providing integrated solutions across corporate advisory, finance, technology, property, hospitality, and tourism sectors. Established in 2012, we work as a strategic partner to businesses, entrepreneurs, and investors, supporting them at every stage of growth.

With a strong presence in Kandy and Colombo, and an expanding international footprint, Global Contriver combines local expertise with global best practices to deliver practical, results-oriented solutions. Our team of experienced professionals brings together diverse industry knowledge, enabling us to address complex business challenges through a single, coordinated platform.

We operate through specialized service clusters, allowing us to deliver end-to-end support—from business formation and financial management to property services, hospitality management, and tour operations. This integrated approach ensures efficiency, consistency, and measurable value for our clients.

At Global Contriver, we are driven by a commitment to integrity, innovation, and excellence. We focus on building long-term relationships by understanding our clients' goals and delivering customized solutions that foster sustainable growth, operational efficiency, and lasting success.

# OUR VISION & MISSION

## Our Vision

To be a trusted and forward-thinking corporate solutions partner, delivering sustainable value through innovation, integrity, and excellence.

## Our Mission

To empower our clients by providing reliable, customized, and ethical business solutions that enhance growth, efficiency, and long-term success, while contributing positively to the economy and society.

## Our Values

- Integrity – We uphold the highest ethical standards in all our dealings.
- Professional Excellence – We are committed to quality, accuracy, and continuous improvement.
- Innovation – We embrace modern thinking and adaptable solutions to meet evolving business needs.
- Client-Centric Approach – Our clients' success is the foundation of our own.
- Accountability – We take full responsibility for our actions, decisions, and outcomes.

## EQUITY & EQUALITY IN THE WORKPLACE

At Global Contriver, we foster a workplace built on fairness, respect, and inclusion. We believe in providing equal opportunities regardless of gender, background, or personal circumstances. Equity guides our approach to recognizing individual strengths and needs, ensuring that every team member is supported to perform at their best. Our culture encourages collaboration, transparency, and mutual respect at all levels of the organization.

# OUR SERVICES

Global Contriver delivers its services through six integrated clusters, enabling clients to access specialized expertise while benefiting from a holistic advisory approach.

## Management Consultancy

Our Business Management Consulting services support organizations in strengthening strategy, governance, and operational performance. We work closely with business owners and management teams to improve decision-making, enhance efficiency, manage risk, and create sustainable growth frameworks aligned with long-term objectives

## Accounting & Taxation

focuses on ensuring financial accuracy, transparency, and regulatory compliance. We provide accounting, audit coordination, and tax advisory services that help businesses meet statutory obligations, optimize tax positions, and maintain reliable financial information for stakeholders and regulators.

## Legal Consultancy Services ( Commercial Contracts & Property)

We support company formation, statutory compliance, documentation, and corporate governance requirements, ensuring that businesses operate within applicable legal and regulatory frameworks with confidence.

## Real Estate & Property Management

we offer advisory and management services across the real estate lifecycle. From feasibility analysis and acquisitions to leasing, property operations, and compliance, we help clients maximize asset value while ensuring effective management and regulatory adherence.

# OUR SERVICES

## Leisure, Hotels & Hospitality Operations

Our services cover hotel and resort management, operational optimization, financial control, and compliance, enabling hospitality businesses to enhance guest experience, profitability, and operational efficiency

## Tour Operations

Our Tour Operations services are designed to support both inbound and outbound travel businesses. We manage tour planning, logistics, partnerships, and regulatory compliance, delivering seamless travel solutions that meet the expectations of leisure, corporate, and international clients.

## Web & Software Solutions

We design and develop websites, web applications, and customized software systems, including accounting and management platforms, helping organizations improve efficiency, digital presence, and data-driven decision-making
